Who Are We?

Al-Amry Group For Trading & Contracting is a leading entity established in the Kingdom of Saudi Arabia in 1969, supported by a future vision to lay the foundation of an integrated and advanced sector in the field of building materials, since our inception we have developed our prominent impact as one of the largest entities that supply and install marble, granite, ceramics, porcelain, mosaic and panels in the Kingdom of Saudi Arabia, thanks to dealing with well established local and international partnerships and specialized teams, we supply and install the finest local and international materials carefully selected.

We are proud of the march spanning more than five decades, where it was the beginning of the launch of projects in Dammam and our vision still extends to include numerous prospects, we realize that the construction of building is not only about the construction of structures but also about creating real value that lasts through generations, every project we are working on is an investment plan in the future, the embodiment of an integrated methodology based on excellence and creativity and professionalism that rises to ideal.

Chairman's Message

Al-Amry Group For Trading & Contracting is not just an entity, where it is a success story made by expertise and skills supported by strategic partnerships spanning more than half a century, in 1969 we started the journey of ambition by launching the operation of our first factory in Dammam, and thanks to the long standing partnership with the elite European, Turkish and Omani companies, our group has become today a prestigious name leading the contracting sector, exceeding the limits of construction to leave an influential impact on the landmarks of the Kingdom of Saudi Arabia and its major projects, we continue to write our story with continuous development and renewed will towards a better future.

Chairman of the Board of Directors

Sheikh Mohamed Hassan Al Amry

Our Vision

At Al-Amry Group For Trading & Contracting, we start with an ambitious vision towards the future, we not only seek to provide distinguished services, but we aim to be at the forefront of the companies of the Kingdom of Saudi Arabia that contribute to achieving Vision 2030, we continue to develop and expand to keep pace with everything new in the contracting and construction sectors, achieving a qualitative leap that highlights the success of urban projects and achieves the aspirations of our clients.

Our Mission

We are committed to turning visions into reality by providing comparable building materials and installation services that meet the needs of our clients, while strengthening the infrastructure of the Kingdom of Saudi Arabia through projects that contribute to achieving the country's development targets and building a bright future.

Our Values

We are based on strong values that guide the best performance in our projects, including:

-  **Excellence:** We provide exceptional solutions that meet the aspirations of clients.
-  **Commitment:** We deliver on promises and deliver projects on time.
-  **Transparency:** We are committed to clarity to enhance trust with clients in every cooperation.
-  **Innovation:** We are always looking for modern ways to meet the needs of the market.
-  **Creativity:** We offer exceptional designs that reflect craftsmanship and elaborate details.
-  **Quality:** We carefully select materials and implement every detail with the highest quality standards.

Our Targets

- ✓ Enhancing the efficiency of our projects to exceed the aspirations and ambitions of clients.
- ✓ Consolidate our position in the supply and installation of building materials in the Kingdom of Saudi Arabia.
- ✓ Achieve the highest levels of safety and security to ensure efficiency in the work environment.
- ✓ Apply the latest technologies to ensure the sustainability and quality of our projects.
- ✓ Forming sustainable partnerships with major companies to achieve a common vision.

Our Clients - Success Partners

We are proud to be one of the most important success partners for a group of the most prominent institutions, government agencies and major companies in the Kingdom of Saudi Arabia, such as:

Our Integrated Services

We offer comprehensive services that meet various construction and finishing needs, including:

Supply: We are distinguished by providing a variety of high quality marble and granite materials from local and international sources, with a special focus on Omani products as we are agents for the largest Omani company that owns and undertakes the work of the Omani Al Nasr Factory, we are proud as the first group that supplied Omani marble to the Kingdom of Saudi Arabia, in addition to that we provide the finest building materials and basic raw materials for major construction projects, and we guarantee the supply of:

Marble and granite: Finest varieties from local and international sources.

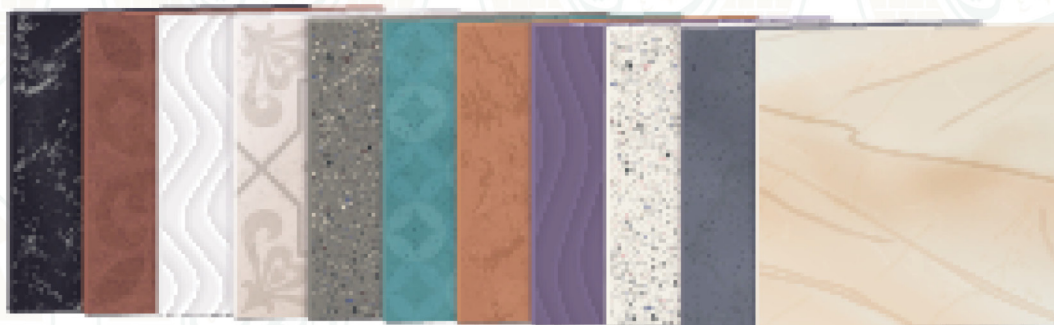

Panels: Designed to match all projects, creating a strong foundation that supports each design.

Ceramic: Materials of various uses of the highest quality.

Porcelain: Luxurious material that lasts and gives spaces a sustainable shine and luster.

Mosaic: Art forms that enhance the design and give the decoration a distinctive impress.

Installation: Providing comprehensive installation services of the highest quality, where any installation is carried out accurately and perfectly to ensure the stability and luxury of materials in all projects. Our services include:

Marble and granite: Accurate and elaborate installation enhanced by the stability and luxury of materials, where the process is applied with the highest quality standards to ensure elegance and sophistication in the smallest details.

Ceramic, porcelain and mosaic: Professional installation according to the highest quality standards to ensure durability and lasting beauty, ensuring durability and longevity and adding a sophisticated and harmonious effect to each project.

Our Projects (Previous Works)

Through our strong partnerships with the most prominent major entities and institutions in the Kingdom of Saudi Arabia, we are proud to be part of the success of distinguished projects, including:

Huge infrastructure projects including the Royal Commission in Jubail.

Government and military projects involving the Ministry of Defense, the National Guard and the Royal Court.

Hospitals and health centers including King Fahd Hospital in Khobar, Al-Ula Hospital and Al-Amal Hospital.

International commercial outlets and educational projects including Starbucks and Al-Jouf University.

Commercial and residential projects including villas, residential complexes, and major malls.

Our Team

We are proud of our professional and specialized team that blends long standing expertise and passion, working in a spirit of cooperation and creativity supported by continuous training on modern methods to ensure excellence and superiority in every project.

Clients' Feedback

The experience of our clients is a testament that we cherish, it is a true reflection of commitment and professionalism, as the opinion and experience of each client is proof of the quality of our projects.

Our Smart And Sustainable Solutions

We realize that construction methods in the current era are not limited to creativity only, but must be sustainable, we provide smart solutions using modern materials and methodologies that enhance resource efficiency, believing that environmental responsibility is an essential part of our success.

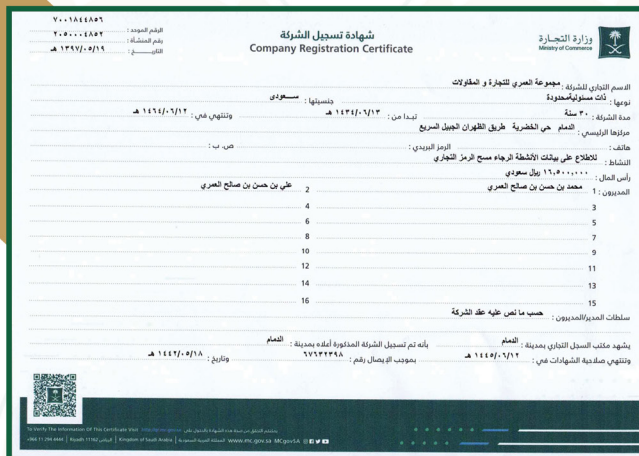

Why Us?

- ✓ We believe that every project is a work of art, and we draw inspiration from the ambitions of clients to create that exceeds all expectations.
- ✓ Cumulative experience spanning more than five decades in the field of building materials and contracting.
- ✓ Highly skilled specialized team that includes a group of engineers and technicians.
- ✓ Integrated solutions that include supply and installation, saving time and ensuring equal work.
- ✓ Direct and continuous communication with clients to ensure the smallest details and results that exceed expectations.
- ✓ Distinguished partnerships with major institutions, which enhances credibility and makes us the first choice.
